

**QUALIFICATIONS
PRINCIPALS**

It is the policy of the Gore Board of Education that persons employed as principals in this school district shall have completed, or be in pursuit of, a Master's degree with emphasis on administration, and that all such persons shall have not less than three years of teaching experience at the level to which they are assigned or similar age level experience.

Principals of schools within this public school system are employed to act as administrators in the senior high schools, grade 6 through 12, and the elementary schools, gradePre- K through 5.

The reemployment of principals shall assume administrative responsibility and instructional leadership under the supervision of the superintendent for discipline and for the planning, operation, supervision, and evaluation of the educational program of the schools to which they are assigned. Principals shall prepare and submit such reports as the superintendent may require for the purpose of reporting to the board, the community, and the State Department of Education. Current OSDE approved administrative evaluation system shall be used to make a final determination on reemployment.

A description of the duties and responsibilities of school principals may be found in the appropriate job description located elsewhere in this manual. Nothing in this policy manual shall be construed as limited or expanding the terms of the employment contract.
