

GIFTED STUDENT PROGRAM

The Gore Board of Education recognizes that educational programs are necessary for gifted children as defined in Oklahoma Statutes Section 1210.301 of Title 70.

Therefore, it is the policy of the board of education to cooperate fully with the State Department of Education in identifying gifted and talented children and in developing appropriate educational programs.

Children in this district will be considered for placement in the program in accordance with scores on standardized achievement and intelligence tests, records, and recommendations of teachers and parents.

The superintendent is directed to develop and implement regulations which support this policy.
