

Attendance Recovery Policy

Administration may offer students an opportunity to make up attendance at the end of semester in order to allow the student to be under the 11th absence. Students 1st semester will be required to serve attendance during the holiday break and students 2nd semester will serve additional time during the first two weeks of summer break beginning with the first day after students are dismissed for the school year. It is the responsibility of the student to serve needed time regardless of family issues (vacations, etc). Medical conditions will be considered as well as court dates for alternative make up times.
