School Transfer Policy and Class Size Restrictions for capacity limits.

Thank you for visiting our website to learn more about our student transfer policy. We appreciate your interest in Gore Public Schools, home of the Pirates! We do our best to welcome additional students to our district whenever it is possible.

Gore Schools makes decisions about student transfers in accordance with district policy and state law. You can download our comprehensive district policy below; however, we are providing the following information for your convenience:

- The state Department of Education requires that the following form be completed to apply for a transfer: [link]. Parents who need access to technology to print or complete the form can visit our site principals' offices for assistance. Paper copies of the form can also be picked up at these locations during business hours.
- Decisions about transfers beginning January 1, 2022 will be made upon receipt of a completed transfer request. We will contact parents directly about the approval status of their child's transfer request.
- Mid-year transfer requests will be considered within 5 business days of the district receiving the application. The previous school attended must confirm the student's attendance, discipline, and grade records before a final decision can be made.
- New transfers are accepted on a first-come, first-served basis. Students who attended the district on a transfer during the 2021-22 school year will have

first consideration. Siblings of an attending student will be considered priority as well.

- The new law gives preference to children of active-duty military personnel.
- To accept a transfer, enrollment in the grade the parent requests must be under the district-established capacity. The district's capacity and vacancy numbers for each grade and school can be found below.
- Transfers may be denied based on capacity, attendance, and discipline issues.
- Transfers for siblings must be considered separately.
- If the grade a student requests is over capacity, he/she will be offered the opportunity to be placed on a waiting list.
- Transfer students must abide by eligibility requirements established by the Oklahoma Secondary Schools Activities Association (OSSAA) for OSSAA-sanctioned activities.
- Transfer decisions may be appealed by our district's and OSDE appeal policy.

If you have any questions about the transfer process, please contact the office of the superintendent during business hours @ 918-489-5587.

The capacity limits shall follow class size staffing restrictions as established by OSDE and all federal and state IDEA staff class size restrictions. This is a moving number due to student migration in and out of the district. Contact the district at the above number for the office of the superintendent for current capacity in a class.
